Miscellaneous | DevOps, SEO, Webpack, Jest

Soft Skills | Team player, Team Leadership, Effective Communication, Critical Thinking, Quality Assurance, Research, Information Literacy

Interests | Self-Improvement, Leadership and Organization, Mentorship and Teaching, Community Building

Languages | English

WORK HISTORY

Frontend Developer

ShaQ Express - Accra, Ghana

October, 2024 - current

- Developed and maintained multiple front-end applications for Ghana's leading all-in-one logistics and delivery platform.
- Collaborated with backend engineers, product managers, and UI/UX designers to deliver seamless user experiences across web and mobile.

Key Projects:

- **ShaQ App** – Built responsive UI for a multifunctional super app combining food, grocery, pharmacy delivery, ECG/water bill payments, and airtime/data top-ups. Improved page load times by 35% and enhanced cross-platform accessibility.
- **ShaQ Support Ticketing System** – Designed and implemented a ticket management portal to track, categorize, and resolve user and partner requests, reducing resolution time by 40%.
- **Loan Application System** – Developed a secure and intuitive platform that automates loan applications, credit assessments, disbursements, and repayments. Helped reduce processing time and improve user onboarding.
- **ShaQ App Riders** – Delivered a lightweight web experience for rider sign-ups, task tracking, and earnings management, streamlining recruitment and boosting rider engagement.

Web Development Club Instructor

Department of Computer Science & Information Technology

University of Cape Coast – Cape Coast, Ghana

January, 2024 – August, 2024

- Organized and facilitated coding workshops and mentorship sessions for student developers.
- Taught core web development technologies including HTML, CSS, JavaScript, and React.

Frontend Developer Intern

Code Coast - Central Tech Hub – Cape Coast, Ghana

September, 2023 – November, 2023

- Contributed to a full-stack event booking application.
- Worked on building responsive UI components with React.js, enhancing user experience and streamlining event management processes.

EDUCATION

Bachelor of Science, Computer Science

University of Cape Coast, Cape Coast, Ghana

Completed: August 2024
